Please note that we have quoted some optional choices. In the Suspender price please note that I have made such a choice. The dyna-back suspender gives a far superior wear and life span. Both of the hoods quoted all full length coming into the chest area to give superior coverage over the shorter length hoods that only cover the neck area.

Thank you for the opportunity to quote these prices to you, please find enclosed with our quote literature and data on the items quoted herein.

If I can be of assistance please feel free to contact me at 424-1901 Monday-Friday.
